

Overall material size: 1605mm wide x 978mm high

Overall finished banner size: 1605mm wide x 838mm high

When designing your artwork, please extend the background design to the lighter blue areas. Any design elements e.g. logo's, text images etc need to be placed within the darker blue area. Please try and keep your design elements away from the red zig zags as this indicates where the stitching runs.

> Please add 2mm bleed to your design. (This is indicated by the outer red dashed line)
